### **The Vet’s Day**

Michael Peterson is a vet. He works in a small town in England.

Michael’s day begins very early at six o’clock. He gets up, has a quick breakfast, then gets into his car. In the mornings, he drives around the local farms to check on the animals – cows, sheep and horses. At eleven o’clock, he goes to his surgery in the town. People bring their pets for Michael to look at. Most of the time, they only need an injection or some medicine, but sometimes they need an operation.

Michael usually has lunch – a sandwich – standing up! In the afternoons, Michael often goes to schools in the area to talk to the students about looking after their pets. Michael’s evenings are very quiet. When he gets home, he cooks dinner and usually reads or watches TV. He goes to bed early, ready to face the next busy day. In his free time, Michael likes going to the cinema or taking long walks in the country with his two dogs, Sheba and Nell.
